greatarcstudios.github.io

Objective: To contribute to a worthwhile project through my agreeable personality, programming and design skills; and to gain experience working in an industry setting.

Experience

- Great Arc Studios

September 2014 - Present

- Created Great Arc Studios as a brand to publish my projects under
- Developed a social media presence on Reddit, Twitter, and Github
- Over 7000 users across all platforms.

Projects

- Unity Pause Menu (Open Source Pause Menu)

Feb. 2016 - April 2016

Synthesized C# and Sketch app to create an incredibly popular pause menu for Unity3d.

- Utilized the brand new Unity UI system through designing custom, modern flat buttons, scroll bars, and background sprites.
- Scripted video and audio settings with JSON serialization and pausing functionality.
- Built the project with compatibility of thousands of games/projects in mind
- Provided support that helped earn me over 6000 users and a 5 star rating.

- Equator Music (YouTube Music Player)

June 2017 - October 2017

Utilized modern UI/UX design concepts, Sketch, Google API, and .NET framework to deliver a responsive, card based YouTube music playing

- Managed the project with Visual Studio Team Services along with releasing finished code on Github.
- Created an advertising strategy on a zero dollar budget involving Twitter, Reddit, and various audiophile forums and beta testing websites.
- Created a premium and responsive product website using HTML5, CSS3, and Bootstrap.
- Gained over a thousand users.

Skills

Computing

Java Python C# .NET Bootstrap
Git Unity3d OOP VS CSS Office

Design

Illustrator Sketch Photoshop
Responsive UI UI Design UX Design

Language

English: native fluency
Chinese: Mandarin native spoken fluency, Wu basic fluency (can understand completely)
French: conversational fluency

Education

- University of Toronto (UofT)

Honours Bachelor of Science Computer Science

Admitted as a UofT Scholar

September 2018 - Present

Expected 2022

- Needham High School

September 2014 - June 2018

Obtained AP Scholar with Distinction

Received due to 6 AP tests with five 5's and one 4.

Graphic Design Club - Founder, President

September 2016 - June 2018

The club (10 members) created a logo for the UMASS Pediatric Intensive Care Unit and was selected to create the new Needham Public Schools logo, which was put in use during the 2017-2018 school year. The club also created designs for school clubs/events such as the poster for the 2016 Needham Talks event.

Speech and Debate - Overall Captain, Novice Captain, Treasurer

September 2014 - June 2018

Debated and won the "Little Lexington" debate tournament. Additionally, performed my duty as Novice Captain of the debate team by creating educational presentations, running ~1.5 hour long practices, editing cases, and giving personalized help. Eleven "novice" debaters qualified for the State Championship Tournament during my tenure. Became the overall captain senior year.

Swim Team - Varsity Swimming

September 2014 - June 2018

Broke 2 relay records, and received a Bay State Conference All Star Award. Competed at the State Championship meet since Freshmen year. Swam on the varsity team since Freshmen year. Played a key role in Sectional Championships victory senior year by consistently placing in the top 10 during the meet.
